Important Note

Unless otherwise stated a **General Limit of USD 2,000,000 each accident** and a **General Deductible of USD 2,500 each accident** applies.

*AA An aggregate limit will apply to these claims by aggregating all claims under the same risk in each account year.

*CA An aggregate limit will apply to these claims by aggregating all claims under *all* risks marked CA* in each account year.

If a claim arises from more than one risk, as listed below, limits will be applied as per Clause G2:30. Where a special limit is stated in a paragraph in the standard wordings the special limit will apply to your insurance unless:

- the paragraph is specifically amended in the Schedule below, or
- a lower limit is stated in the Schedule below as applying generally to the clause in which the paragraph is contained.

With respect to the Limit (USD) each Accident listed in the Schedule below, your attention is drawn to paragraph 4 of the Costs Clause, the effect of which is that investigation and defence costs (including legal, survey, expert and other costs) will be included within the Club limit applicable to the substantive claim to which they relate, and will not be payable in excess of this limit.
